OUR STORY

The Wylie Bulldogs Education Foundation was founded in 2010 with unconditional nonprofit status from the IRS. The Foundation is governed by a board of directors, and the majority of funds are raised through the annual "We Are Wylie" Dinner.

In 2020, the board changed its plans because of COVID. For the first time in its history, an "in person" event was not held. Instead, the foundation had a virtual event, silent auction and raffle. The Wylie community's support during this difficult time was astounding. We are so grateful for our donors who helped us promote excellence in the Wylie schools in the midst of a pandemic!

In 2021, with COVID again on the rise, the board made the difficult decision to cancel its annual dinner for the second year in a row. We are confident that our donors will help us again in a spectacular way. We are looking forward to a celebratory evening together in 2022.

For a list of our 2020 donors, including many Friend Donors and Star Donors, go to our website at Wyliebef.org.
